

# LED Down Light Koala 3x1W and 3x2W

With this fully adjustable head you can easily change your lighting or theme without the need to cut additional holes in ceiling, just clip into existing halogen ceiling rings. Move your exhibits, furniture or POS without the need for expensive building works.

So if you wish to change the mood and lighting layout in your establishment to create a different lighting scene, without going through the expense of changing existing fittings and wiring, Armadillo's dimmable LED range of adjustable 3W and 6W LED fittings will drop straight in....

Design is everything in for certain applications, our Koala fitting provides great commercial design with the best thermal properties to support a good looking and trouble free life.

Carbon reduction, or simply saving money and helping our environment, Armadillo Lamp replacement range covers cost, or conscious aims for us all. Using the latest CREE based LED technology, with superbly efficient and aesthetic thermal chassis, we offer product working >50,000hrs, no ongoing maintenance headaches and a return on investment based on a 9hour day of under 12 months! With 8 different colour renders from 7000K Cool to 2700K Warm white, you can ensure we have the right ambience in any location for you.
